February 2021

Welcome to the first newsletter of 2021! We optimistically look forward to a whole year of uninterrupted tennis.

Business House Tennis

We have had a fantastic turnout of teams, 12 in total. This means that we have to split the draw and have one early game (start 5.30pm), four games will start at 6pm, and one late game (7.30pm). The competition starts this Tuesday, 16th February and will run for 6 weeks. The cost is \$25 per person (\$75 team). If you have not been contacted by Maree or Karin, it means that your team is playing at 6pm. Remember that there will be BBQ food for sale and the bar will be open. Look forward to seeing you all on Tuesday! No rain PLEASE....

Club Champs:

Our club champs are coming up soon and will consist of the following categories:

Men and Women singles and doubles, Mixed doubles and Super Gold card 65+ doubles (any gender combinations).

The entry lists are now on the club notice board or email Heff pfkeheff@gmail.com. There may be a different format this year (dependent on amount of entries received). This could be where a time period is given to complete each round, and for individuals to arrange to play their own matches throughout the week/weeks. Heff will give more details when he knows final numbers.

Finals and prize giving will be on Sunday 28th March.

Tennis Committee

As many of you know we have sadly said goodbye to Roger Dodds. Roger and Marilyn have moved South to Cromwell. Roger was involved in the club for a considerable length of time and has been active in organising many of our tennis leagues over the years. He also was our treasurer and secretary for many years. The committee has elected Mary Hamilton to join us as our new treasurer. A very warm welcome Mary!

Club T-Shirts for Sale

There are a few club tennis shirts of various sizes that are surplus to needs. These are available to purchase through Mary at a cost of \$20.
